## Manager Quality Assurance

---

Walki Meuwissen is a part of Walki Group. Walki Group is a leading producer of technical laminates and protective packaging materials, specializing in the production of fiber based, intelligent, multilaminate products for markets as diverse as energy saving construction facings to barrier packaging applications. Walki Group has operations in Finland, Germany, Poland, the UK, Russia and China with a workforce of approx. 1,000 people. Annual net sales for the Group are 320 million Euros.

To strengthen its position as a manufacturer and supplier of high performance specialized films. Walki Meuwissen is working on an organization where product innovations, innovation of workmethods occupy a central place. This change set high standards for our manufacturing technology and the skills of our employees

We are looking for a: **Manager Quality Assurance (m/f)**

Our Quality Department plays an important role in maintaining and enlarging our product knowledge and in stimulating product development. The Quality Department does this in close collaboration with our sales and production department.

We are looking for somebody with a Bachelor or Masters degree. A practical person, with analytical skills, social strengths and leading abilities. The person we are looking for needs to be flexible; this is not a typical 9 to 5 job.

Among other things the Quality Assurance Manager will be responsible for:

- Support daily quality issues in the manufacturing area
- Optimize all quality related processes
- Oversee and manager the Quality Control
- Manage the incoming costumer complaints
- Internal and external technical questions
- Product Development
- ISO 9001:2008
- Environmental coordination
- Certificates
- Safety, including prevention, risk evaluation, first aid, evacuation, etc
- Legislation

Candidate's posses the following skills:

- Proactive, analytical, technical knowledge, accurate, creative in finding solutions,
- Dutch and English language.
- An interest in production and knowledge of chemistry is required.

Walki Meuwissen has an informal working atmosphere with room for initiative. The feature provides opportunities for further personal growth and development. The financial benefits are in line with the level and difficulty of the position. Secondary conditions are excellent.

Further information about the position can be obtained from your telephone, Jaap Jan Gerritsen, commercial director. (tel: +31 (23) 5125912 or by e-mail: [jjg@mi.nl](mailto:jjg@mi.nl))

Your written application can be addressed to:  
Walki Meuwissen B.V.  
Att. Mr. J.J. Gerritsen, commercial director  
Postbus 716  
2003 RS Haarlem
